The candidate:
1. Must have outstanding qualifications for Rotary leadership.
2. **Should have served for a full term as president of a Rotary club** when the course begins. A candidate that has not served as a president of a Rotary club **must have graduated Rotary Leadership Institute (RLI)**. A candidate that has not served as a president of a Rotary club would not be eligible for serving as an Assistant Governor or District Governor until that criterion has been met.
3. **Must be willing, upon completion of the course, to serve in a district leadership position or on a district committee** and be physically and mentally capable of discharging leadership tasks to which he/she may be recruited. Every DLA graduate will be asked to serve in a district role.
4. Must be willing to **devote the time and effort necessary to satisfactorily complete the course.**
