

Rotary District 6780 Structure of Dues and Invoices July 2022

District Invoices for which the District Treasurer is responsible include:

1. District Dues – Based on club membership on July 1st at \$24 per member. Invoices have traditionally been sent to each club in December or January via an email from the District Treasurer (Jenifer Campbell, hackettjy@aol.com, 865-310-5445).

2. Presidents Elect Training (PETS) & PETS Orientation– Invoices will be sent to each club in the District and are based on the amount set in our District Budget. Normally the District Treasurer sends out invoices in April via email– \$345 per club.

Rotary International Invoices (The District Treasurer is not involved with these):

RI Dues: Clubs will be invoiced twice a year: July and January
Dues are calculated based on the membership numbers each club secretary reports to RI by January 1st and July 1st of each year.
