

Welcome to the 61st Annual District 6780 Interact Conference

Please read all the following information and be prepared with the required materials when you are ready to check-in on **Monday between 12:00 p.m. and 3:00 p.m. EST**. We will not guarantee that we will be available to check clubs in after 3:00. At that time, we will need to pack up and prepare for the first meeting. We will register again after we return from the show.

It is suggested that you get room keys and let your club members in their rooms and then collect what you need and come back. The following stations will be set up in the hall in front of the ballroom for your convenience:

1. **General Information:** You receive this packet and have any questions answered.
2. **Room Registration and Keys:** Clubs can pick up their room keys at the hotel front desk any time after 1:00 on Friday.
3. **Your Club's Pictures:** ON A THUMBDRIVE LABELED WITH YOUR CLUB'S NAME provide 10-15 pictures of your favorite Interact projects from the 2025-2026 year **ONLY**. We will incorporate these into a power point of random pictures from across the district. This will be showed during breaks and at the banquet.
4. **Senior Reverse Drawing Scholarship Registration:** Please complete the sheet that is attached indicating all your senior class Interactors (present at the conference) and the number of **high school** (9-12) years those students have attended the District Interact Conference. Each club must use 3 x 5 cards that are **white on BOTH SIDES**. On each card, write the name of one 12th grade Interact member and your club's name. Each senior will get one card for each year that he/she **has attended**. The cards will be checked against your list during check-in. The cards will be selected on stage during the drawings throughout the conference. It is the responsibility of the sponsors to see that their cards are completed and placed in the appropriate container before the drawing begins. **No cards will be added after the drawings have started.**
5. **Jim Lacy Scholarship Essay Registration:** Please complete the sheet that is attached indicating only your senior Interact members that are writing the essay on Saturday morning to compete for the Jim Lacy Scholarship. To be eligible, a student must have a B average, have been a dues paying **Interactor for 2 years**, and be registered for and attending the conference. You must also submit the cell phone numbers of those seniors.
6. **Talent Show Entry Verification:** Please confirm that there is an accurate record of any talent show entries from your club. Please remember that there is only one entry per category for each club.
7. **Door Prize Drop Off:** You may present all door prizes at this station. All clubs are responsible for bringing 1 door prize for every 5 members who attend the conference. You should also bring 1 sponsor door prize. Each of these should cost about \$5.
8. **Club Reports for Judging:** Each club should submit 2 club reports to be distributed among the judges for the various projects and Club of the Year competitions.

9. **Sponsor Information:** Please complete the attached information sheet regarding the Interact sponsor(s) from your club. This will be used to update the district contact information.
10. **District Conference T-Shirt, Program, and Door Ticket Pick Up:** We have decided this year to have T-shirts only for those who have purchased them in advance. If you have ordered them in advance, you may pick them up at this station. From your list we will also provide you with programs and numbered tickets for the door prize drawings throughout the weekend. We will also need to know how many actual sponsors (not chaperones) your club has with you. There are also drawings for sponsor door prizes.

14. Also let conference attendees know if you raised funds for Polio Plus in a local project other than Emma's Bear Hugs. This may be included in the sum of all funds raised.
